**7b GLTC Resolution of the Board of Directors**

The GLTC Resolution of the Board of Directors needs to be updated due to Brian Booth's departure, and the arrival of new City Attorney Matthew Freedman. The Resolution will give Hope Custer and Matthew Freedman the authority to access Federal Transit Administration's (FTA) Electronic Application/Award Management System, also referred to as the Transit Award Management System (TRAMS), and use a Personal Identification Number (PIN) to execute the annual Certifications and Assurances issued by the FTA, to transmit and submit all applications to FTA for Federal assistance (or amendments thereafter), and to execute all awards of FTA assistance on behalf of the GLTC, thus binding the GLTC's compliance with FTA requirements.

The Resolution also designates Matthew Freedman as the Registered Agent for GLTC which enables him to take necessary actions in compliance with the Virginia State Corporation Commission.

After discussion, Ms. Deacon made a motion to accept the revised GLTC Board of Directors Resolution with Mr. John Hughes seconding the motion, and the vote was carried.

### **7c TRIP**

The Transit Ridership Incentive Program (TRIP) was created by House Bill 1414. The program was created to enhance regional connectivity by supporting regional transit of urban areas with populations of more than 100,000. It also intends to increase the equity and accessibility of transit systems statewide by supporting zero-fare and low-income pilot programs.

GLTC intends to apply for a grant that will improve the frequency of Route 4 so that it connects at the Transfer Station every half hour. Staff feels Route 4 would qualify for this program since it connects to the airport and the Amtrak train station. Grant applications are due mid-September. Initially, the funding will be 80% State and 20% local. However, it is anticipated that in future years, the ratio would change to be more from Local and less from State.

Mr. Blanks stated that GLTC should increase the Route 4 service from two buses to three buses. Ms. Howe asked if GLTC can sustain the 20% local match. Mr. Hughes asked if this matter should be presented to the City's Finance Department. Mr. Booth stated that he already has been in talks with the City. After discussion, Ms. Nash made a motion to accept GLTC to apply for the TRIP funding with Mr. Landergan seconding the motion, and the vote was carried.

### **#8 – President's Report**

Mr. Blanks stated that he is celebrating 25 years at Walmart. He thanked the board for the ride-along last month.

Dr. Reed stated that he was impressed riding Routes 1A and 1B and the location of the stops. He was also pleased that the residents of Centra Health's training program utilized the buses for transportation.

Mr. Blanks stated that several passengers inquired about the route changes and he explained how the new routes will work.

Ms. Howe reminded the board members who have not ridden GLTC, to please do so by next month when the one-year commitment to ride along ends.

Mr. Davis presented Mr. Booth with a plaque and congratulated him on his service at GLTC.

### **#9 – Next Meeting and Adjournment**

The next GLTC Board Meeting is scheduled to occur on September 1, 2021, at 8:30 am at the Transfer Station, 800 Kemper Street, Lynchburg, VA.
