General Manager's Report

The last month has been very busy for staff with the severe weather earlier in the month and then preparations for our teams for the Bus and Maintenance Roadeo this weekend in Hampton Roads. I'm hopeful that our teams will do well and be representing Virginia at the National competition in Omaha, NE this summer.

On a positive note, I received a call on February 27th from Meg Walker with the VA Department of the Blind and Visually Impaired. She had been teaching two young students how to ride the bus unassisted and had received a lot of help from Operators Randy Nesbitt and Pete Bolen who were driving buses that were at River Ridge Mall. They also received help in determining which of the Rt 4 buses to take at the mall, and a demonstration on how the audio announcement on the elnk signs worked from Mechanic Mike DePalmer. She was very appreciative of the employees and the time that they took to explain the routes and how to ride to the students, as well as the technology that we have deployed to assist our customers. Meg further stated that this made her students feel much more comfortable with preparing to navigate the bus on their own.
