**FOR IMMEDIATE RELEASE**

**April 1st, 2026**

**Greater Lynchburg Transit Company to temporarily suspend Sunday bus service beginning May 3rd, 2026.**

***Weekday and Saturday Service Remain Fully Operational; Board to Reevaluate Every 90 Days***

The Greater Lynchburg Transit Company (GLTC) Board of Directors has voted to temporarily suspend all Sunday fixed-route, paratransit, and Flex microtransit service beginning May 3rd, 2026. The last day of Sunday service will be April 26th, 2026. Weekday and Saturday service will continue operating on regular schedules.

This decision comes in response to a critical bus operator shortage that has increased overtime demands, reduced operational flexibility, and strained GLTC's ability to safely deliver consistent service. After evaluating multiple reduction options, staff concluded that suspending Sunday service, the lowest-ridership day would cause the least disruption to riders.

"Reducing service, even temporarily, is not a decision we make lightly. Given current staffing challenges, we must adjust service levels to ensure safe reliable operations where demand is greatest. Suspending Sunday service is the most responsible step we can take to support our operators and maintain consistent weekday and Saturday service as we rebuild our workforce." — Josh Moore, General Manager

The Board will formally reevaluate the suspension every 90 days and will issue public updates as conditions change. GLTC recognizes the impact this change may have on riders and remains committed to restoring full seven-day service as quickly and responsibly as possible.
