Greater Lynchburg Transit Company

Central Virginia Transit Management Company, Inc.

CONTRACT #: GLTC-01-06012026

TERM: 10/14/2026 – 10/13/2029 [Optional Years: Year 4 (2030) & Year 5 (2031)]

SCOPE OF WORK: The purpose of this scope of work (SOW) is to define the requirements for a Software-as-a-Service (SaaS) solution to support the operations of the transit agencies in this Consortium which may consist of microtransit, paratransit, and deviated fixed-route services. The agencies will operate all services directly with their own vehicles and staff; therefore, this procurement is solely for the provision, implementation, and ongoing support of the software platform and related features.

Please see RFP #GLTC-01-06012026 for full details.
